Edison Outlines Lake Michigan Proposal

Commonwealth Edison Company presented a three-point proposal for protecting Lake Michigan, including a commitment not to add generating capacity on the lake until the actual operation of its Zion plant demonstrates that water quality will not be harmed.

In testimony before the Illinois Environmental Protection board in Chicago, Edison witnesses explained why no damage was to be expected from the Zion plant and cited the plant's ecological and electric service reliability advantages.

Byron Lee, Assistant to Ed-

ison's president, submitted the following 3-point proposal for protecting the lake:

- 1) Permitting only existing or committed plants on Lake Michigan to discharge cooling water into the lake, using properly designed discharges and subject to temperature limits such as those in current Illinois standards.
- 2) Provisions for careful monitoring of discharges.
- 3) Permitting further installations only after adequate operating experience confirms that there are no adverse effects on the lake, either locally or as a whole.

"Commonwealth Edison Company, for its part," said Lee, "is willing to build no more units with once-through cooling on Lake Michigan until these conditions have been met."

The company's proposal, he added, meets four tests: "It will avoid damage to the lake; it will conserve committed resources; it will help avoid air pollution and fossil fuel shortages; and it will be subject to change from time to time."

Lee said the 2.2 million kilowatt Zion station, now under construction on the lake shore in Zion, Ill., will provide about 13 1/2

per cent of the company's generating capability when its second unit is completed in 1973.

"The two Zion units, when in service, will supply electric energy which otherwise would require over one-half million tons of coal a month," he said. "Early service dates for these units, therefore, will both help reduce the impact of the fuel shortage and avoid the emission of very substantial quantities of fossil fuel combustion by-products."

Citing the disadvantages of cooling towers at the Zion site, he added: "The use of the present Zion

design will, in the short run, avoid delays in service which could threaten the reliability of power supply because of capacity and fuel shortages. For the life of the plant, it will avoid the economic, esthetic and meteorological disadvantages of large and unsightly cooling towers on the lake shore."

He also pointed out that Edison is carrying out the most comprehensive program of environmental studies ever conducted on an inland body of water and said that work done to date as part of the program indicates that no significant biological damage is to

be expected from the Zion discharges.

Surveillance of Lake Michigan waters will be continued, he said, to promptly discover and stop any adverse effects.

A panel of scientific and technical authorities supported the Commonwealth Edison proposal for lake water quality assurance which will also be submitted to the Four-State Workshop Conference on Lake Michigan convening in Chicago next week. The experts are:

Dr. Harold B. Gotsa, Dean Emeritus of the Technological

Institute, Northwestern University.

Dr. Wesley O. Pipes, Professor of Civil Engineering and of Biological Sciences, Northwestern University.

Dr. Donald W. Pritchard, Director of the Chesapeake Bay Institute and Professor of Oceanography, The Johns Hopkins University.

Dr. Laurence P. Beer, Manager of Environmental Systems, Division of Industrial Bio-Test Laboratories.

Dr. G. Fred Lee, Professor of Water Chemistry, University of

Wisconsin.

Dr. Andrew Robertson, Associate Professor of Zoology, University of Oklahoma.

Dr. Edward C. Raney, Professor of Zoology, Cornell University of Zoology, Cornell University.

Dr. John C. Ayers, Professor of Oceanography, College of Engineering and Research Oceanographer in the Great Lakes Research Division of the University of Michigan.

O. D. Butler, Assistant Vice-President, Commonwealth Edison Company.

Narcotics Program Scheduled

The Emmons Grade School Parents Club will have its first meeting of the fall term Tuesday, Oct. 6, at 8 p.m.

Guest speaker will be Police Chief Jack Davis of the Antioch Police Department. He will be accompanied by two reformed addicts, who will present first hand accounts of the reality of drug addiction.

This will be a very informative program not only for parents but also for our children who usually are approached and tempted by drugs first—we parents find out later, sometimes too late, in view of this John Kakaack, Emmons School superintendent, urges all parents and the 6th, 7th and 8th grade children if accompanied by parents to attend.

Interested residents in this district are also welcome to attend this meeting.

Parents Club president is Bill Nauman. Program chairman is Mrs. Anthony Sampolinski.

Season Tickets on Sale

Season tickets are now on sale for PM&L's Season Ten which promises to be a season of laughter, comedy, and drama. All the productions have been successful on Broadway and then even better known in the movies.

A comedy, "My Three Angels," will be the season opener on November 7, 13, 14, 20 and 21. This preposterous comedy is directed by Don Beveroth.

"Barefoot in the Park," one of Neil Simon's biggest successes will be directed by Gary Richter on February 20, 26, 27, and March 5 and 6.

Josef Hunley will direct the deeply moving "The Miracle Worker" on May 8, 14, 15, 21, and 22.

Season tickets can be purchased by contacting Mrs. Robert Jensen, 395-0539. They will be on sale all of October and throughout the first production.

Beveroth has started rehearsals of "My Three Angels" and the cast includes Gerald Pettera, Fred Walpole, Gigi Spittle, Marion Schultz, Al Bucar, Duane Wolfe, Ron Koules, Wayne Bentel and Don Beveroth.

Children Play Is Announced

"The Canterville Ghost" has been chosen by the Palette, Masque & Lyre Theatre of Antioch for its annual children's theatre production in December.

This fantasy-comedy is a play for all ages and is taken from a story by Oscar Wilde.

Try-outs for "The Canterville Ghost" will be held at the PM&L Theatre on Main Street in Antioch Sunday afternoon, October 4, from 1:00 to 3:00 p.m.

The mystery-comedy will be directed by Mrs. Valerie Hunley, who invites everyone to audition for the parts.

Anyone interested in backstage work should also attend the try-outs Sunday.

There are eight people in the cast including the 300 year old ghost, Sir Simon; a British housekeeper, an American couple and their three children, and Lord Canterville.

Mystery and chills, nicely balanced with humorous scenes make this one of the most popular of Children's Theatre productions. Four performances are scheduled at the PM&L Theatre December 5, 6, 12 and 13.

Iron Curtain Countries On McClory Agenda

Congressman Robert McClory (R-Ill.) in connection with his attendance at the 58th Conference of the Interparliamentary Union at The Hague from October 1-10, will also visit Warsaw, Poland, and Bucharest, Romania with his fellow delegates from the U. S. House of Representatives and Senate.

The Delegation, headed by Senator John Sparkman (D-Ala.) will meet with representatives of the Polish Parliament, as well as Representatives of the ruling Council of States and Cabinet.

Later, the group will be received by representatives of the Romanian government, including President Ceausescu and other key Romanian officials. Following the conference at The Hague at which Parliamentarians from some 60 nations will be represented, the American group will spend one day in Brussels as guests of the Belgian Parliament.

The series of individual parliamentary exchanges are part of a pattern for developing closer ties between elected representatives of the respective national groups.

Congressman McClory states: "These exchanges provide opportunities for discussion of both national and international issues—supplementing the more formal discussions which occur at the diplomatic level and between heads of state such as President Nixon is carrying out on his European visit. These activities are a most important part of my Congressional work."

The Polish, Romanian and Belgian meetings are in response to formal invitations which were extended through the U. S. State Department. In addition to Senator Sparkman and Congressman McClory, the U. S. Delegation will include: Senators B. Everett Jordan (N.C.), Henry Bellmon (Okla.), Ernest Hollings (S.C.), Gordon Allott (Colo.), Mike Gravel (Alaska) and Len Jordan (Idaho); and Representatives Emilio Q. Daddario (Conn.), Alexander Pirnie (N.Y.), Jackson Betts (Ohio), F. Bradford Morse (Mass.), Edward Derwinski (Ill.).

Congressman McClory has served as a United States IPU Delegate since 1964 following his appointment by the Speaker of the House of Representatives. He

Dedication Ceremonies For Flag

In a brief and colorful ceremony, representatives of VFW Posts in Lake County participated in a flag dedication ceremony at the College of Lake County on Tuesday evening, Sept. 22, 1970.

On an earlier occasion, the Antioch VFW Post No. 451 had donated the first American flag to be flown over the College campus to the College officials. At the September 22, 1970 ceremony, Robert McLelland of Lake Villa, Commander of the Lake County Council, presented the College with American flags for all of the classrooms in the present and projected facilities to be used within the 1970-71 academic year. In making the presentation, McLelland complimented the College on "the tremendous things you are doing academically" and expressed appreciation for the opportunity "to serve with you in this worthwhile venture."

James Horton, Commander of the Antioch VFW Post No. 4551 coordinated the activities and stated that "the VFW welcomes the opportunity to give in a time when so much is heard of getting." F. James Lumber, Chairman of the Board of Trustees, officially accepted the flag donation and commended the VFW for its patriotic gesture and its continued interest in the College of Lake County.

The ten VFW Posts which comprise the Lake County Council cooperatively arranged the provision of classroom flags to the College of Lake County. Present at the ceremony were representatives of Antioch VFW Post No. 4551, Highland Park VFW Post No. 4737, Lake Villa VFW Post No. 4308, Mundelein VFW Post No. 7091, Round Lake VFW Post No. 4940, and Waukegan VFW Post No. 1293.

Anti-Pollution Bond Issue Is Endorsed

The Illinois State Chamber of Commerce has endorsed the \$750 million pollution control bond referendum to be voted on Nov. 3.

In announcing the action by the board of directors of the 20,000 member, statewide business organization, State Chamber President William J. Crowley said: "The pollution level of Illinois waterways calls for immediate action. Illinois citizens must realize that passage of the bond issue is vital if we are to clean up our rivers, lakes and streams."

Charles L. Brown, Jr., chairman of Illinois Citizens for Clean Water and president of Illinois Bell Telephone Company, had this comment: "I am pleased that the Illinois State Chamber of Commerce has recognized the need for passage of the bond issue. Their important endorsement spotlights local pollution problems. It is essential to the passage of the referendum that each citizen understand how the bond issue can help meet these local needs, and that each local chamber of commerce cooperate in helping to inform the citizens about this critical problem."

The bond act will be used to help communities and sanitary districts in the planning, financing and construction of municipal sewage treatment works and solid waste disposal facilities.

Crowley commented: "We urge passage of the bond issue in order that funds may be made available immediately and to permit the state's new Environmental Protection Agency to implement, as quickly as possible, an orderly, planned 10-year program of sewage treatment improvements enabling the state to meet federal water quality standards." Crowley is chairman of the finance committee of Northern Illinois Gas Company, Aurora.

VOL. LXXXV. NUMBER 15

School Negotiations On Contract Stalled

Antioch High School teachers and the board of education are still at odds today on settlement of a contract for this school year.

The teachers are remaining firm on a demand that the five per cent salary index be maintained.

The board renewed its proposal on salaries at a short meeting last Monday and while it maintains that it wants to continue negotiations, teachers say the board indicated that further negotiations would be fruitless so long as teachers continue to push to maintain the index.

The district's negotiating team maintains that it has made five

major concessions. They include: —Increase its payments to the life insurance program from maximum of \$12,000 coverage to a maximum of \$15,000 coverage. —Broaden the group health insurance program and its premium contribution. —Increase its payment for all extra duty assignments to approximately \$48,000. —Raise the maximum level of sick leave accumulation from 90 days to 105 days. —Adopt a plan which will give every teacher essentially an unrestricted opportunity to advance to a top salary of \$14,700 in 16 years.

The pay increase ranges from a low of \$700 to a top of \$1,245. The teachers' bargaining team said the district's team rejected the idea of appointing a third member and that at a caucus of the teachers' team settlement was ruled out unless the proposal contained an index.

The teachers' team, in an attempt to continue negotiations, suggested a committee composed of the president of the board, the president of the association, and two other representatives from each side—not including the two professional negotiators—meet as often and as long as possible between Monday and Friday, after school to resolve the difference on the index.

This was also turned down by the district's team.

Gilbert Krahn, president of the association, then sent out a letter to William Brook, president of the board, proposing the same meeting.

Meanwhile, the association has scheduled a meeting for Friday afternoon of the full teacher membership to hear an explanation of the Monday negotiating session and to act upon the committee's recommendation for future action.

There was no explanation as to what future action might be taken.

No further negotiation sessions have been scheduled by either side, although both have said they would cooperate to the fullest to get the contract settled.

Drug Case Dismissed By Judge

Circuit Court Magistrate John L. Hughes has dismissed charges against eight persons who were arrested Sept. 13 in a raid on an alleged "pot" party held a half mile east of Bandedburg Road and Rte. 12.

Judge Hughes dismissed the charges after a lengthy preliminary hearing when he found no probable cause to bind the eight over to the Lake County Grand Jury.

Those charged included: Clarence E. Lindley, 24, of RFD 4, Box 55, Antioch, who was charged with illegal possession of (Continued from page one)

Periodically throughout the school year members of the high school administration meet with student council executive board members and their teacher sponsors at lunch to discuss questions and items related to Antioch High School. The students participating here include, from left, Shiela White, Mike O'Neill and Chip Gross.

State Capitol Report

The Local Government Article in the proposed state constitution should be supported by all citizens, according to the executive committee of the Illinois Commission on Urban Area Government.

The commission, created by former Gov. Otto Kerner and reconstituted by Gov. Richard B. Ogilvie, is headed by Robert E. Marriam of Chicago and Edward W. Wilson of River Forest. Home rule and other key provisions of the article are consistent with recommendations the commission made to Gov. Ogilvie last January, Marriam said.

Illinois has more local governments (6,453) and less local self-determination than any state in the nation, Wilson said, adding that one local government for every 1,600 persons "is one reason for the high overhead cost of public service in Illinois."

He said the new Constitution would encourage cities, counties and school districts to work together and pool their resources for the common good, and that it would direct the state to assist such cooperative programs with its technical and financial resources.

Merriam said the proposed constitution would remove the need "for the patch-quilt system of special districts for sewage disposal, water, fire protection, parks and dozens of other services that communities presently cannot get from their county or municipal governments because they lack home rule authority."

He said "we have more mayors, county supervisors and board chairmen in Illinois than dentists." He emphasized that local governments must work together to cut unnecessary overhead and provide vital services.

HOG CHOLERA

Two cases of hog cholera reported last week have resulted in quarantines being placed on four townships in three Illinois counties, according to Agriculture Director John W. Lewis. The out-

break occurred at Avon on the border of Fulton and Warren counties.

Townships quarantined are Union in Fulton County; Indian Point in Knox, Berwick and Greenbush in Warren. Involved are 220 head of swine on the Ivan LaGrow farm and 70 on the Terry Hood farm. Lewis said this is the second cholera outbreak on the farms. State veterinarians have depopulated both herds. An additional 18 head on the Frank Wood farm at Avon were depopulated due to exposure to the disease.

HONOR GEN. JONES

Governor Richard B. Ogilvie has authorized renaming of Chicago's Washington Park Armory in honor of Brig. Gen. Richard L. Jones, one-time Ambassador to the Republic of Liberia, W. Africa, and former delegate to the United Nations. The governor has proclaimed Saturday, Oct. 17, Ken. Richard L. Jones Day. Gen. Jones also served as U. S. operations mission director to Liberia. He began his military career in World War I and retired in 1953 from the Illinois Army National Guard. While with the Guard he organized the 178th Regimental Combat Team in Chicago.

CONSERVATION CHANGE

James Lockart has been named supervisor of the division of wildlife resources. Acting Director Dan Malkovich of the conservation department announced last week. Lockart, who has been narrating the department's weekly radio program, "Outdoors in Illinois," has been supervising the education division. He succeeds Thomas Evans, now with the division of long-range planning and research.

RECIPROCAL

Duplication of effort will be eliminated and one-third of the present cost of the state inspection of blood banks will be saved under terms of an agreement between the Illinois Department of Public Health and the American

Association of Blood Banks.

Dr. Franklin D. Yoder, department director, explained the asso-

(Continued on page three)

AFS Chapter Members To Meet Visitor

Tuesday, Oct. 6, at 7:30 p.m. in room 102 at the Antioch High School will be get-acquainted night for members and friends of the adult chapter of the American Field Service and Luis Victor Herrero.

Luis is Antioch High School's 1970-71 A. F. S. foreign exchange student from Santa Fe, Argentina. Lui, as he has been nicknamed, is making his home this coming year with Mr. and Mrs. Robert Gross of Antioch.

The meeting will be an informal one to discuss A.F.S. fund raising and activity plans and will be an opportunity to get to know Lui a little better.

Herrero is looking forward to speaking to any group or organization from January through April of 1971.

Arrangements can be made for a speaking engagement by calling A.F.S. liaison Doris Surrock, 395-2016. A.F.S. welcomes community interest in its fine young ambassadors from other lands.

First Aid Classes Scheduled

The Antioch Rescue Squad is again sponsoring First Aid Classes which are to start Thursday, October 8 at 7 P.M. at the Rescue Squad Building. No pre-registration is necessary and there is no charge. For further information call 395-2141.

EDITORIAL

Congratulations

We are pleased to note that one of our leading citizens is going to be honored this weekend.

He is W. Richard Whitacre, former superintendent of the Antioch Grade School system.

A dinner is being held for Mr. Whitacre at the Hunter Country Club, Rte. 173 and Rte. 12 in Richmond.

We wish to applaud those who have worked so hard to make this dinner a success.

Too often we honor persons after they are gone when it could have been so much better to do it while they are still around.

Mr. Whitacre has had our children in his care for a good many years and continually did a good job for us in preparing our youngsters for the trials of later years.

During his administration many new innovations were put into the system and it grew into a thriving school system. The latest accomplishment is the upper grade school building on Rte. 173.

He had been in the system since 1943, at the time when Antioch had only 150 students and 6 teachers.

When he left it, the system had 1,465 students enrolled and approximately 52 teachers on the staff.

We want to wish Mr. Whitacre much success in his years ahead.

The whole community is grateful to you.

Temporary Ban

The village fathers have put a temporary ban on building permits in the northern section of Antioch after it was discovered that sewer lines in the area are damaged.

We applaud the quick way the village acted in an emergency situation.

The health and welfare of the people of the community come first and our elected officials have shown by their action that they have that in mind.

It is a shame that any community has to curtail building activity that furthers the growth of the community, but we are assured that the ban is only temporary until repairs are made.

The quick action, in the words of Trustee George Bartlett "provides the protection for the people now living in the northern neighborhood of the village."

The action can also prevent, as one official put it, the possible collapse of a street in that area.

Modern methods were employed to discover the damage. We are sure that the work crews will get the repairs made quickly.

Then—on with the growth of the village.

ROUND ROBIN

The Annual Lake County Firemen's Round Robin was held Sunday at Round Lake. Fourteen teams from Lake County competed in the water fights to determine the winners. The Round Lake team took first, Wauconda second, and Antioch came in third. This is the third year Round Lake has taken the first place trophy, and they put up a good battle to retain their title.

ATTEND CONVENTION

Many of our "town officials" attended the convention of the Illinois Municipal League which was held in Springfield last weekend.

IT'S A GIRL

Congratulations to Betty and Joe Wolf on the birth of their daughter, Kari-Marguerite. Joe and Elsie Wolf are proud grandparents.

FAMILY PICNIC

Vernie Plotz and Gordon DeBoer families enjoyed a picnic at Van Patten Woods Sunday. About fifty members of the clan attended and the weather was fine and sunny but they wished it could have been just a little warmer.

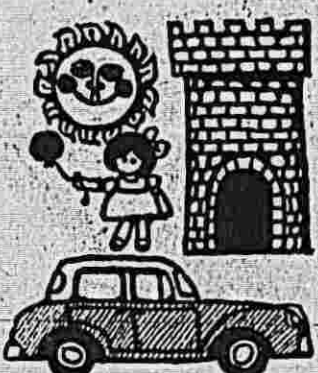

Letters to the Editor

"Letters to the Editor":

As a veteran of the Vietnam War, having witnessed the unlawful crisis of seeing Vietnamese destroy the constructed American facilities in Southeast Asia, and having to return to the United States and with continuous witness of seeing Americans destroy our future educational programs, provides one of constructive ideals a reason to seek witness of law and order. That is why that I am encouraging conservative corrections this election year to reason with their selves on election day, vote for a man who would get law and order and stop such high rising crime problems in all communities, and make available to all a more pleasant place to live without fear. That is why I have joined the ranks of concerned citizens committed for law and order. Lake County and have considered Marion Faber a man of unquestionable integrity, capability of handling a job of putting down crime in all communities, and directing law enforcement improvements into protective police security. I feel the election of a sheriff should not be based on what political organization he is a member, but rather it be the devoted programist ideal of carving out such crimes with the tools made available to the sheriff, by the State and Federal governments and that would be enforcing the laws stated by U. S. Government the law being the tool.

Very thankfully yours,
Charles Brealen

Abbott Dividend

North Chicago — Directors of Abbott Laboratories today declared a regular quarterly dividend of 27½ cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.

Both dividends are payable Nov. 15, 1970, to shareholders of record October 23, 1970.

McClory Backs Anti-Crime Bill

Congressman Robert McClory (R-Ill.) hailed action by the House Judiciary Committee in recommending passage of S.30—the Organized Crime Bill—and called for its early passage by the Congress.

Representative McClory and other members of the House Judiciary Subcommittee No. 5 have been in almost continuous session for the past two weeks "marking up," i.e. revising on a line-by-line basis, the comprehensive bill aimed at racketeering, illegal gambling, drug traffic, and other areas of organized crime.

The measure, which has caused some controversy, provides for convening Special Grand Juries to investigate organized crime—including investigation of public officials allied with the crime syndicate.

The 124-page bill contains numerous provisions recommended by President Nixon and Attorney General Mitchell (a) to protect witnesses against intimidation, (b) to facilitate convictions for perjury, (c) to impose increased penalties against organized crime figures and (d) to compel uncooperative witnesses to testify. The revised measure adds a new title dealing with explosives, and provides for capital punishment where death results from a bombing.

At the conclusion of the Judiciary Committee session, Congressman McClory declared:

"This is the most decisive step taken by the United States Congress against organized crime in recent history. The new tools which this measure places in the hands of the Attorney General, coupled with a determined effort at enforcement, should put crime syndicate members on the run, and reduce the incidence of crime resulting from illegal gambling, racketeering, and the drug traffic."

"I salute President Nixon and Attorney General Mitchell for their leadership on this issue, and am pleased to share the pride of

my colleagues on the House Judiciary Committee for the painstaking efforts which have enabled us to bring this measure to the House floor for final action."

Congressman McClory noted that concurrence in the House amendments will be essential for final passage of the Crime Bill at this session of the Congress.

Forum On Politics Scheduled

As the holders of many important national, state, and local positions will be determined at the November polls, it is important to vote—and to vote intelligently.

To prepare Lake County residents for the elections, the Waukegan and Mundelein-Libertyville Leagues of Women Voters in conjunction with the College of Lake County student government, are sponsoring a forum on practical politics.

This open forum consists of five sessions. The first two were held on September 28 and 30, and the other three meetings will be on October 6, 8 and 12. As a climax to the forum, a Candidate's night will be held on October 14. Opposing candidates for many offices will take part in the program.

Each session will be held at 7:15 p.m. at the College of Lake County in the College Center, Building No. 1. All sessions are open to the public.

The first session, Sept. 28, presented the history and philosophy of the political parties.

The Wednesday, Sept. 30 session presented the mechanics of the electoral system.

The planning committee especially hopes that high school and college students who may vote for the first time next year will attend the forum.

CONSOLIDATED REPORT OF CONDITION OF
STATE BANK OF ANTIOCH

of Antioch, Illinois 60002, and subsidiaries at the close of business on September 21st, 1970. Publish in response to call of the Commissioner of Banks and Trust Companies of the State of Illinois.

Walter Kozio (left), president of Charming Products, Inc., Antioch, accepts the President's Award on behalf of his company's employees from William G. Karnes, president of Beatrice Foods Co., of which Charming Products is a division. The award was presented at Beatrice Food's annual honors dinner held in Chicago last week in conjunction with its Chemical and Manufactured Products Division management conference, attended by company officials from throughout the United States. Charming Products won the plaque for improved operating performance during the past fiscal year as compared with the previous year.

STATE CAPITOL.....

(Continued from page one)
 ciation will release its reports to the state following its triannual inspection of Illinois blood banks. The state, which has been inspecting the banks annually, will now inspect them two out of every three years and accept the A.A.B.B. findings for the third year. In the interim the state will make information available to the A.A.B.B. Dr. Yoder explained this is possible because their standards are the same.

MINORITY GROUPS

Formation of the Illinois State Equity Council, Inc., has been announced by Gov. Richard B. Ogilvie. He has appointed Milton F. Darr, Jr., Elmhurst, to head the volunteer, not-for-profit group of business leaders selected for

their ability to assist minority businessmen. Dar, 48, is chairman of the board of LaSalle National Bank in Chicago. Purpose of the group is to supply minority businessmen with the counseling and business expertise necessary for success.

"Effective race equality can be actively promoted by helping minority businessmen with seed capital, technical knowledge and the state's full range of business assistance," Ogilvie said. He said many current problems can be traced to "difficulty minority groups experience in attempting to enter the mainstream of our economy."

CORN DAMAGE

Agriculture Director John W. Lewis has repeated his estimate, contrary to the federal government's, that there will be a 25 per cent. reduction in the 1970 Illinois corn crop because of blight. "Federal statistics do not show quality of the grain and that the early harvested corn is showing low test weight," he added that corn harvested in the state this year is not of normal quality. He said more corn is being left in the fields because of its poor condition.

Lewis expressed concern over dumping on the market of CCC bin site corn. He said it is "an attempt to control the corn market, and the person who gets hurt in this type situation is our corn farmer."

LINCOLN TOWERS

Gov. Richard B. Ogilvie and his family will reside on the 17th floor of Lincoln Towers, 520 S. Second St., Springfield, during restoration of the Executive Mansion. They will probably vacate the mansion in December.

DRUG CASE.....

(Continued on page three)

drugs and contributing to the delinquency of minors.
 Randy Lee Long, 18, of 49 N. Lake St., Ralph E. Gerstund, 19, of 28 N. Holly Ave., and Terri L. Kukla, 19, of 42 N. Pistakee Road, all of Fox Lake, all charged with illegal possession of drugs.

John W. Turek, Jr., 19, of 301 Stanton Point Road, Jacqueline Lang, 19, of 608 Hunt Ave., and John S. Rummel, 20, of 124 Washington St., all of Ingleside, all charged with illegal possession of drugs; and William G. Bandt, 21, of 1118 Maple Ave., Lake Villa, charged with the same count.

The raid was conducted by sheriff's deputies and state police who had reportedly received a tip on the party from a father whose teen-age daughters had been invited to participate.

One state trooper testified that he ordered three youths out of a car and then found a vial in the auto. He said that the vial contained marijuana, but Asst. Public Defender Paul Chervin, representing six of the eight defendants, objected to the trooper saying the contents was the drug.

Judge Hughes sustained the objection. Chervin then asked the trooper if he had asked for permission to search the car. The trooper testified that he did not, and that when he went up to the car the three occupants were not doing anything unusual.

A second trooper said he saw four young persons come over a hill toward the bonfire and tent set up in the field and investigating found a ravine on the other side of the hill and a plastic bag at the bottom of the ravine.

He was prevented from testifying as to what the bag contained, however, by Chervin's further objections.

Chervin made a motion to suppress the evidence because of an illegal search. Judge Hughes granted the motion and tossed the case out.

Pigs Are Beautiful

SPECIAL—"Pigs are beautiful" 110,000 4-H members contend. They are the youngsters who are enrolled in the 4-H swine program supervised by the Cooperative Extension Service.

And working daily with the project animals, the young people agree that the beautiful porkers are alert, clean, smart and adaptable. The 4-H'ers also say that pigs are fun to raise and show and profitable when shipped to market.

Looking beyond the pleasure and profits, several thousand young 4-H'ers see recognition for a job well done. And they will not be disappointed as Moorman Mfg. Co. of Quincy, Ill., provides county, state and national awards for the 13th consecutive year.

Through the National 4-H Service Committee, the company offers six \$600 scholarships to national winners and an expense-paid trip to National 4-H Congress to each state winner. Medals of

honor are awarded county winners. And on the basis of previous response some 6,000 are expected to be honored at special events in communities across the country this fall.

Selected by representatives of the Cooperative Extension Service, the state winners will be guests of Moorman Mfg. Co. in Chicago, Nov. 29-Dec. 3. Topping off of five action-packed days of National 4-H Congress will be the naming of national scholarship winners.

The national 4-H swine program offers youngsters educational opportunities in a broad range of economic and science subjects. The 9-to-19-year-olds get firsthand exposure to environmental concerns, nutrition, veterinary medicine, genetics, marketing and management.

For information about the opportunity offered youngsters in the 4-H swine program, contact the local county extension agent or a volunteer 4-H leader.

CONSUMER.....

(Continued from page one)
 and other groups in developing programs based on consumer spending patterns. A sample of residents in this area will be asked if they expect to buy a house, car, or major appliance during the next year and if they have made recent purchases of these items. Homeowners will be asked about home improvements and repairs during the last three months and any planned for the future.

In the second quarter of 1970, the survey indicated that consumer plans to buy new houses rose after a two-year decline while the percentage of families expecting income increases within 12 months had declined.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

GLAUCOMA

If you are 35 years old or older, the National Society for the Prevention of Blindness urges you to see your ophthalmologist every two years from now on—because you're in the age group most often struck by glaucoma, a blinding eye disease. Glaucoma cannot be cured, but, the Society says, with early detection and careful treatment, it can be controlled. Because you could have glaucoma and not experience pain or other obvious symptoms, these periodic visits to your eye doctor are essential.

HONEST ANSWER

A man, filling out a job application, came to the question: "Have you ever been arrested?" His answer was "No." The next question asking "Why," was meant for those who answered in the affirmative. Nevertheless, he answered it with "Never got caught."

4-H'ERS.....

(Continued from page one)

4-10, says Bill Messerschmidt, County Assistant Extension adviser.

Messerschmidt says, Lake County 4-H'ers are doing their part to carry the dynamic "We Care" message.

There are various projects already existing, which reflect the desire to reach more kids from both the urban and rural communities of Lake County today. And some new projects have been added to show that we care about numerous interests of young people in Lake County. These include such projects as woodworking, automotive, electricity, fishing, cat care, and Do your own thing. This last project is a totally new concept. With all other projects there is a project record book set up with guidelines and requirements already determined. But in "Do Your Own Thing," the individual 4-H'er determines his own interests with the help of leaders and parents, and sets up his own project. Or the 4-H'er can expand on an already existing project. He also sets up his own goals and record book to evaluate what he has accomplished.

We care about 4-H in Lake County and want other people to learn about the organization. And in conjunction with this and National 4-H Week, various 4-H Clubs throughout Lake County will have booths set up at the Belvidere Mall Shopping Center in Waukegan on October 2, 3, and 4. These booths will display various 4-H projects, activities, and will explain in general just what 4-H is all about.

To increase the urban participation in 4-H, three new clubs are being organized in the Waukegan-Great Lakes area. 4-H'ers all across the nation are showing that they "Care" about community betterment, nutrition and health, poverty and environment.

Messerschmidt cites these examples:

In Burlington, Vermont, 4-H'ers set up a community center for low-income youth. The center was started after citizens recognized the lack of opportunities for disadvantaged youth in education, health, recreation, social interaction and employment.

Members of a Wisconsin 4-H Club started a project which involves sending books, clothes and money to a ghetto area in Milwaukee. The 4-H'ers obtained the names of families with children between the ages of 9 and 16 and are establishing pen pal friendships.

Messerschmidt reminds all 4-H'ers both young and old to spread the "We Care" message both during and after National 4-H Week, October 4-10.

For more information contact Lake County Extension Office.

Carole B. Hanson Now A Freshman

Carole Betty Hanson, 2102 Old Elm Road, Lindenhurst, is among 182 freshmen enrolled at Aurora (Ill.) College for the fall semester of the 1970-71 academic year. Carole is a 1970 graduate of Antioch Community High School.

All that's new for 1971- from Oldsmobile!

Toronado. The Unmistakable One takes on grand new proportions. It is a full five inches longer, and every inch adds to its elegance. Even its trunk is more spacious this year. The new interiors are roomier and far

more sumptuous. The front floor is flat from door to door, with no hump to get in the way. Toronado's unique front drive and the

totally new ride system deliver greater smoothness, improved traction and sure handling. Add a responsive Olds Rocket 455 V-8, power steering, power front disc brakes, Turbo Hydra-matic all standard on the front drive Toronado.

Delta 88. Warmest welcome ever to the big-car world. Power steering is standard. So are power front

disc brakes. And an impressive 124-inch wheelbase. It's all topped off with Delta

88's remarkable new "G-Ride" System.

The "G-Ride" System. An Olds exclusive—a combination of advances in chassis,

suspension, steering and all-new Super-shocks. You ride smoother, corner bet-

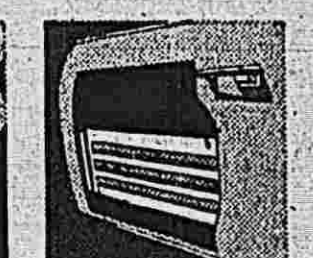

ter, are less affected by stiff crosswinds. It's featured in every 1971 Olds Delta 88.

Pollution fighters. Every Olds engine is designed to cut emissions, run efficiently on no-lead, low-lead or regular fuel.

Double comfort. New Flo-Thru Ventilation features both upper and lower outlets for greater control, better air circulation.

Solid security. Side-guard beams are welded into the doors for protection. One of many Olds safety features for 1971.

Cutlass Supreme. Oldsmobile's "little limousine" places all-out elegance within

the reach of nearly every new car buyer! And does it so beautifully—with a classic profile outside,

deep comfort and luxurious appointments inside. If you're longing for elegance—and economy—you and Cutlass Supreme are made for each other.

Sandra Ludwig Wedding First In Evangelical Church

By Del Jahnke

The first wedding to be held in the new Antioch Evangelical Free Church, was the marriage of Miss Sandra Ludwig to Leonard Hironimus, on Saturday, September 19th, at 3:00 p.m. Reverend Bernard Fosmark officiated at the double ring ceremony.

The bride is the daughter of the Waldo Ludwigs, and the groom is the son of Mr. Lyn Hironimus and the late Mrs. Hironimus.

Mrs. Robert Anderson, the soloist, sang "I Asked the Lord to Comfort Me" and "A Prayer for Love Like Christ," a wedding prayer in song. Robert Krieger was the accompanist organist.

The bride, who was given in marriage by her father, was radiantly beautiful in a white satin and lace floor length gown, with a chantilly lace fitted bodice, high rounded neckline, and full length bell sleeves. Her petal head-dress, adorned with myriad, tiny pearls, and illusion veil, complemented her long chantilly lace train. She carried a cascade bouquet of stephanotis and white baby roses.

The matron of honor was Mrs. Charles Willoughby of Mason City, Nebraska, the bride's sister, and the bridesmaid was Miss Debra Russo of Trevor, Wis.

Both wore identical gowns with royal blue velvet, empire styled bodices, long Juliet sleeves, fashioned with light blue and gold trimming. Blue chiffon overlaid their light blue satin skirts. Each wore a pale blue satin bow with blue flowers as their headresses. They carried nosegay bouquets of light blue tinted roses and daisies.

James Mirek of Zion was best

CHRISTIAN SCIENCE CHURCHES

Spiritually enlightened goals are vital to the progress of individuals and nations.

This is a theme of the Lesson-Sermon on "Unreality" to be presented at all Christian Science church services Sunday.

One of the Bible verses is from Proverbs: "Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven."

The supporting commentary from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include this insight: "To ascertain our progress, we must learn where our affections are placed and whom we acknowledge and obey as God."

Services held at First Church of Christ, Scientist, BEACON Hill, Rte. 173 and Harden, Antioch, Illinois, begin at 11 a.m. Everyone is welcome.

ON DISPLAY NOW!

Central Board Holds Meeting

The regular meeting of the Board of Education of Salem Central High School came to order on September 8 at the high school by Dr. Waldo with all members present. Minutes of the regular meeting of August 11 were read and approved. After the submission of the treasurer's report all bills presented for payment were approved.

Bids for the installation of 520 feet of chain link fence on the east end of the building were opened. Martins Fence, \$1,560; Sears, \$1,713.33; Century Fence, \$1,886. Awarding of the bid was tabled pending clarification of the bids.

The following bids on blacktopping of the new area west of the garage were opened: Kenosha Asphalt Paving, \$2,600; Miles & Son, \$3,975. The board voted to accept the Kenosha Asphalt bid. Huber Glass Co. of Kenosha presented a proposal to modify the front entrance windows by replacing each of the nine foot windows with colored steel panels for approximately one-third the distance up from the front and to cut existing glass into two equal panes above that. The cost of this work would be \$340. The board voted to accept the Huber proposal. Nardil Electric was employed to adjust lights on two athletic field light poles so that the illumination would fall more directly on football playing surface.

The board approved the establishment of a local chapter of Quill and Scroll, an honorary journalism society. The board acted under provisions 118.21, Wisconsin Statutes, and approved the contracts offered for 1970-71 school year to Mrs. Margaret Dykeman, English, and Miss Charnian Haight, reading consultant.

Proud Parents

Joseph and Betty Wolf are the proud parents of an 80-und, 2 ounce baby girl, Kari Marguerite, born on Friday, Sept. 18.

Paternal grandparents are Joe and Elsie Wolf of Antioch, and the maternal grandparents are Merrill and Clarice Campbell of Clinton, Iowa.

Edison Promotes Pearson

Harold Pearson has been appointed operating manager of Commonwealth Edison Company's northern division.

Based at the electric company's Northbrook headquarters, he has assumed charge of Edison operating activities in an area that extends from Chicago's northern city limits to the Wisconsin state line and from Lake Michigan west through half of McHenry County. The division serves over 370,000 customers.

Pearson, who formerly served as Chicago-Central division operating manager, has been associated mainly with engineering and operating assignments throughout his 33 years with Edison. He at one time served as DeKalb district superintendent.

A graduate of the University of Illinois, Pearson presently resides at 512 S. Kensington Ave., LaGrange.

Tea, PTA Meeting On Tap At Oakland

The Oakland Grade School P. T. A. will meet Monday, Oct. 5, at 8 p.m. in the school gym.

After a short business meeting, the teaching staff will be introduced by the principal, Mr. Ronald C. Marten. All parents are urged to attend.

On Wednesday, Sept. 30, a tea was held at 4 p.m. at the school gym for all parents whose children attend kindergarten.

Gaa Is Sophomore

West De Pere, Wis.—Donald A. Gaa, son of Mr. and Mrs. Donald A. Gaa, 918 David St., Antioch, Ill., is a sophomore cadet in the St. Norbert College ROTC department.

Upon successful completion of his ROTC and other academic requirements, Gaa, a Business Administration student will be commissioned a second lieutenant when he graduates from St. Norbert.

St. Norbert College is a coeducational liberal arts college with an enrollment of 1,700 students.

EYE CARE FOR CHILDREN

More than 12½ million school children in the United States are in need of some form of eye care, according to information from the National Society for the Prevention of Blindness. A child's eyes should be examined periodically throughout his school years, advises the Society to help assure good eyesight for his adult life.

Where The Boys Are

Airman Brian R. Hollen, son of Mr. and Mrs. Harry F. Hollen, of Rte. 5, Antioch, has completed

Hollen

basic training at Lackland A.F. B., Texas.

He has been assigned for training as an intelligence operator specialist at Lowry A.F.B., Colo.

Rick K. Nelson, son of Mr. and Mrs. Roy V. Nelson of 1055 Victoria St., Antioch, has started his first academic year at the Coast Guard Academy in New London, Conn.

He is scheduled to graduate in June, 1974 with a bachelor of science degree and a commission as Ensign in the Coast Guard.

Heart Group Launching Card Campaign

There's already holiday spirit aplenty in the hearts of Lake County Heart Association volunteers as they launch their annual holiday greeting card campaign this month.

Mrs. Jerome Van Gorkom of Lake Forest is chairman of the 1970 holiday card committee. Representing Lake County is Dr. Erich Wels, president of the Heart Association of Lake County.

The cards were designed exclusively for the Chicago Heart Association and suburban divisions by Heart Association volunteer and professional artist Mrs. Lawrence Loew of Villa Park.

One card is richly designed with a gold inlaid "heart logo tree" set against a crimson background. The minimum price is 35 cents per card. A second card, costing a minimum of 25 cents each, features a gold embossed heart and torch symbol encircled by a green Della Robbia wreath.

Any contribution above the cost of printing and distributing the cards benefits Heart Association research, educational and community programs and is tax-deductible. The sender's name is printed on each card.

Holiday card order forms may be obtained from the Heart Association of Lake County, 1111 Greenwood, Waukegan 60085 (CH-4-1210).

'Neighbors' Hold Meeting

The Royal Neighbors Olson Camp, 459 met at the American Legion Hall on Tuesday, Sept. 22. The oracle was on vacation so Gladys Lokke presided.

Birthday song was sung to Emily Novotny.

As this was the Officers Meeting cards were played and goodies were served. No calories? Hostesses fore the evening were Effie Nelson and Pearl Anderson. The next meeting of the Royal Neighbors will be Oct. 13, at 8 o'clock p.m.

Topics for Today's Women

THURSDAY OCTOBER 1, 1970 THE ANTIOCH NEWS-4

Lindenhurst News

By Mrs. Bernice Bernau
356-5649
Lobster and Clam Cookout
Mr. and Mrs. Bob (Pat) Schartz, 1700 E. Fairfield Road, Lindenhurst, entertained several friends, at a most unusual party recently.
They had 20 live lobsters and a peck of clams flown here from Maine. Bob and Earl Spiegler

dig two pits in the back yard to cook the seafoods in. Another pot cooked five dozen ears of corn. Queuing up for tremendous servings of the lobster and steamed clams were Earl and Ing Spiegler, Mary and Bill Gruenwald, Mary Lou and Dick Dvorak, Bob and Betty Vaughn, Wally and Miki Brysiewicz, Bob Russell, Ginny Mazzuca, Bill and Marilyn Belter and Brother Paul, from St. Benedict's Abbey.
"Peace"
We never print poetry, but I

think this poem, written by Jim Gilliland one night, deserves to be the exception to the rule. Jim is the son of George and Evelyn Gilliland, 1956 E. Old Elm Road, Lindenhurst. Jim is in the service. His friends may write to him at Amn., James Gilliland, 329-42-4524, CMR No. 4197, McGuire AFB, New Jersey 08041.
PEACE
Peace, some say, is where it's at. But, tell me, where is that, Can you find it and show it to me?

Is it in the highest mountain, or in the deepest sea?
Oh, please tell me, where can it be?
Can it be in the unknown and immortality,
Or can it be found around the world in every human heart.
Just sitting and waiting for a clean new start?
Will there ever be another Garden of Eden Paradise,
Just think of it, wouldn't that be nice,
To have no race, to have no killing, to have no greed,
To start again and plant a better seed,
To love your mother and your brother,
But, most important of all, to love each other.
Sympathy Note
Condolences are expressed to the Jack Halvey family, 1801 E. Hazelwood Dr., on the death of his father, Edward.
Weddings
Duane Angelotti and Linda Kennedy were married at Prince of Peace Church Sept. 26 at an 11 o'clock nuptial mass.
Anthony Farina and Karen Cecconi were married the same day at the 6 p.m. nuptial mass. Our very best wishes to the newlyweds.
Christened
Babies christened at Prince of Peace Church recently were David Warner Doty, son of Charles and Paula Doty. Also Daniel Paul Houghton, son of James and Sandra Houghton. And

Melisa and Melinda Haras, daughters of Joseph and Patricia Haras.
Visit Venetian Manor
The ladies of the Altar and Rosary Society visited the Venetian Manor Nursing Home, Thursday, Sept. 24.
Band
Prince of Peace is starting a

New program of cultural enrichment through the instruction of music. The purpose of this educational program is to have the children learn to play a musical instrument and at the same time secure a possible school band.
Birthdays
A very happy birthday is wished to Amy Beth Blake, who celebrated her first birthday Sept. 24.
Also, Michael Priory, Dorene Chartier, Al Hart, Laura Marie Kaatz, Kevin Salmi, Carol Stanley, Diane Kocinski, Betty Halvorsen, Bill Golden, Christine Rychlik, Vi Selzer, Mark Gruszewski, Richard Vitek, Charlie Schriver, Diane Spiegel, Kristi Karau, Michael Nelson, Sister Carla Marie (Marianne Smith), Michael Craig Suchland, Kathleen Marie Suchland, and Catherine Ann Gavinsky.
Mothers Club
The new officers of the Prince of Peace School Mother's Club are Mrs. Florence Guido, president; Mrs. Linda Stoinis, vice-president; Mary Lou Dvorak, secretary, and Mrs. Genevieve Graas, treasurer.
At their meeting they discussed the Pottery Shower for the Sisters of the school to be held Oct. 7, and the first bake sale on Oct. 11.
A Halloween Carnival will be held at the school on Oct. 30 for the Prince of Peace school children.

Nature Photo Contest

Entries are being received from nature photographers throughout the country and abroad in the Morton Arboretum's 1970 Exhibition of Nature Photography, called Naphex 70. This year's exhibition will be given three public presentations, on November 18 and 21 at 8 p.m., and on Sunday, November 22 at 3 p.m., all at the Thornhill Building on the Arboretum's west side.
Besides the showing of accepted color slides, the program will

include an appropriate narration made up from information supplied by the photographers. Several monetary and silver medal awards will be made to winning entries, and a special best-in-show award will be presented by the Nature Division of the Photographic Society of America.
Information and entry blanks for those wishing to enter the contest may be obtained from the Education Office, the Morton Arboretum, Lisle, 60532. Deadline for entries is October 19.

THE CHURCH ON THE HILL INVITES YOU TO WORSHIP ON SUNDAYS AT 9:30 A.M.

Pastor Philip D. Laurin

Traffic Safety Meet Set

The Illinois Conference of Women Leaders for Traffic Safety will hold their fall conference for Region I on Saturday, October 3, from 9:30 a.m. to 3 p.m. at the Holiday Inn, 624 York Road, Elmhurst. Present members of the Conference and anyone interested in seeing that traffic facilities are reduced are invited and urged to attend the meeting.
"Swing into Action for Improved Consent Law" has been chosen as the general theme of the meeting. Elvina Latimer, McHenry, President of the Region I Conference, explains there still are four major areas where the State of Illinois is not in compliance with the 16 standards issued by the National Highway Safety Bureau. One of the most important of these is an "Improved Consent Law" to provide for testing of drivers charged with driving under the influence of alcohol. More accidents, it has been proved, occur because of drinking drivers than any other cause. Even excellent drivers are sometimes killed when an accident is caused by a drinking driver.

Elementary Schools Get Reimbursed

Ray Page, Illinois Superintendent of Public Instruction, has announced that \$26,063,663 has been reimbursed to the elementary schools, secondary schools and junior colleges by the Division of Vocational and Technical Education of the State Board of Vocational Education and Rehabilitation.

Superintendent Page pointed out that enrollment in approved vocational and technical education programs have increased from 149,442 in 1965 to approximately 500,000 in the past year. It is expected to double in the coming year.

Page said, "The new emphasis in vocational and technical education is directed to meeting the needs of individuals, particularly the disadvantaged and handicapped, rather than on particular occupational training programs."

The State Board reported that due to limited state and federal funds, regular secondary programs reimbursement claims were paid on the basis of 50% of the claim. This is the first year of the new vocational and technical education program under the 1968 Amendments to the Vocational Act of 1963 which reimbursement is based upon student enrollment in approved vocational and technical education programs. In the past, reimbursement was based upon a percentage of the vocational teaching staff salaries.

Superintendent Page said that under the 1968 Amendments emphasis is led to distribution of funds to the following special categories: Handicapped, \$1,292,604; Disadvantaged, \$4,019,533; Exemplary, \$162,979; Consumer & Homemaking, \$622,382; Cooperative Education, \$376,654; Work Study, \$215,941; Developmental Programs, \$528,864; Professional and Curriculum Development, \$377,239; and Secondary Area Center Construction, \$2,875,418.

Illinois is one of four states not having an "Improved Consent Law", the other three being Mississippi, Wyoming and Montana. The proposed law which could be passed in 1971 will be thoroughly discussed at the meeting. Two films will be shown—"The Education of Harry Carson" and "Driving and Drinking." The Illinois State Police will have their Safety Education Cruiser at the Holiday Inn for information. Annual dues of \$2 (for individuals or organizations) may be sent to Mrs. Barbara Raymond, 620 Wrightwood Terrace, Libertyville, Ill. 60048, Treasurer of Region I. All organizations are urged to appoint a safety chairman and be represented because reducing death on our highways requires the cooperation of every person.

Region I includes the following counties—Lake, DuPage, Grundy, Kane, Kankakee, Kendall, McHenry, and Will. Other officers include Mrs. W. H. Tammeus, Woodstock, Vice-president; Mrs. Joseph Sup, Elmhurst, Secretary; and Mrs. Harold Neely, Elmhurst, Member-at-large.

Antioch Slips By Scouts

By The Twelfth Man

The Antioch Sequoits fought back Saturday afternoon to notch a 16-14 victory over favored Lake Forest. It marked the first Sequoit victory at Lake Forest in twelve years. It is good to see that all those hours of practice and conditioning paid off. Instead of dragging to a halt in the fourth quarter, the Sequoits still had enough left to mount a 61-yard drive in the last 3 minutes for a touchdown.

The first quarter was scoreless with neither team really threatening. The second quarter started with Antioch going 72 yards to Lake Forest's 2 yard line, where the offense stalled and turned over the ball to the Scouts. Later in the quarter Dan Walsh inter-

cepted a Scout pass at midfield and the Sequoits went 36 yards to the Scouts' 7, where Jim Revel kicked his first field goal of the year. Walsh also had 13 tackles to go with his interception.

The big play in the drive was Martin's 34 yard end around. The Scouts fumbled the ensuing kickoff and Antioch recovered on Lake Forest's 24 yard line. Chip Gross hit Jim Revel with a pass for a first down on the 12 and 2 plays later Martin carried it in on his third end around. Revel added the extra point and the half ended with the good guys leading 10-0.

At half time the Sequoits were reminded that Lake Forest was not going to go out in the second half and give the game away.

They came out fighting and the fact that they didn't quit showed up after the scoreless third quarter.

The Scouts capitalized on consecutive fumbles by the Sequoit backfield. They picked up both fumbles and ran them into the end zone for touchdowns of 19 and 37 yards. This made the score Lake Forest 14, Antioch 10, with 5:34 remaining. This is where Antioch showed what kind of a team it has. Only a team of championship caliber could come back against a tough Lake Forest team with time only for one sustained drive. But the Sequoits, cheered on by their usual large following of fans, came up with a 61 yard drive and a touchdown.

The drive started on Antioch's 39 where Rich Claeson carried it for a big 14 yards and first down at the Scouts' 47. With second and nine, Gross connected with Martin for 26 yards and a first down at the 20. Two plays and a penalty later, hard driving Trip Hagstrom carried the ball 11 yards up the middle for a Sequoit score. That put the Sequoits ahead 16-14 with 3:25 remaining.

The Scouts had the ball on their 25 when Gross intercepted his 2nd Scout pass of the day. The Sequoits tried to run out the clock but had to punt. The Scouts had one last try from their own 35 but the Sequoit secondary was up to the challenge and the Scouts gained only 5 yards in four pass attempts.

It was a fine day for the Se-

quoits because they proved to a lot of people that they have the team that could potentially win the conference this year.

Because of his outstanding effort in this game Tom Martin was selected Lineman of the Week for Lake County.

The totals of the game were: Lake Forest total yards rushing 128; 86 yards on the ground and 35 yards passing. Antioch total yards rushing 220; 181 on the ground and 39 passing.

Antioch had 75 total yards in 5 penalties and Lake Forest had 39 yards in 6 penalties.

Next week is the first home game of the 1970 season against Round Lake. According to Coach Nelson there will be no easy wins this season and if the boys want to keep their record intact each game will have to be played as if in the championship game. Also this first home game will be Parents Day for all varsity team members, the cheer leaders and varsity team managers.

Jones Wins Finale

The racing season came to an end on a wild note at the Waukegan Speedway Sunday afternoon as Tom Jones of Northbrook won the crash-filled 50 lap late model feature.

Jones took the lead for good in the 41st lap after leading for three laps in the early part of the race. In the 41st lap Vern Browne of Waukegan and Bob Anzinger of Melherry, running first and second respectively, spun and crashed with Jones, a close third, streaking into the lead.

Bob May, of Gurnee, took the feature lead on the 15th lap when the green flag came back out after one of four caution periods in the race. Four laps later May collided with Dick Dornbusch of Lake Bluff in the first turn. Dornbusch's car became airborne and he now has the distinction of being the only driver to go completely "out-of-the-ballpark" at Waukegan in 1970 as he cleared two fences and ended up near the washrooms, right-side-up. He was unhurt.

May's car was knocked out by the crash with Browne back in the lead followed closely by Jones, Anzinger and Cossman. Anzinger passed Jones in the 21st lap for second and stayed on Browne's rear bumper for the next 20 laps.

In the 41st lap, after Anzinger had repeated pulled along side Browne, the two collided in the fourth turn with Browne's car spinning completely around and Anzinger's Chevrolet hitting the pit wall very hard. Anzinger was out for the day, but Browne changed a tire and finished 10th after losing four laps.

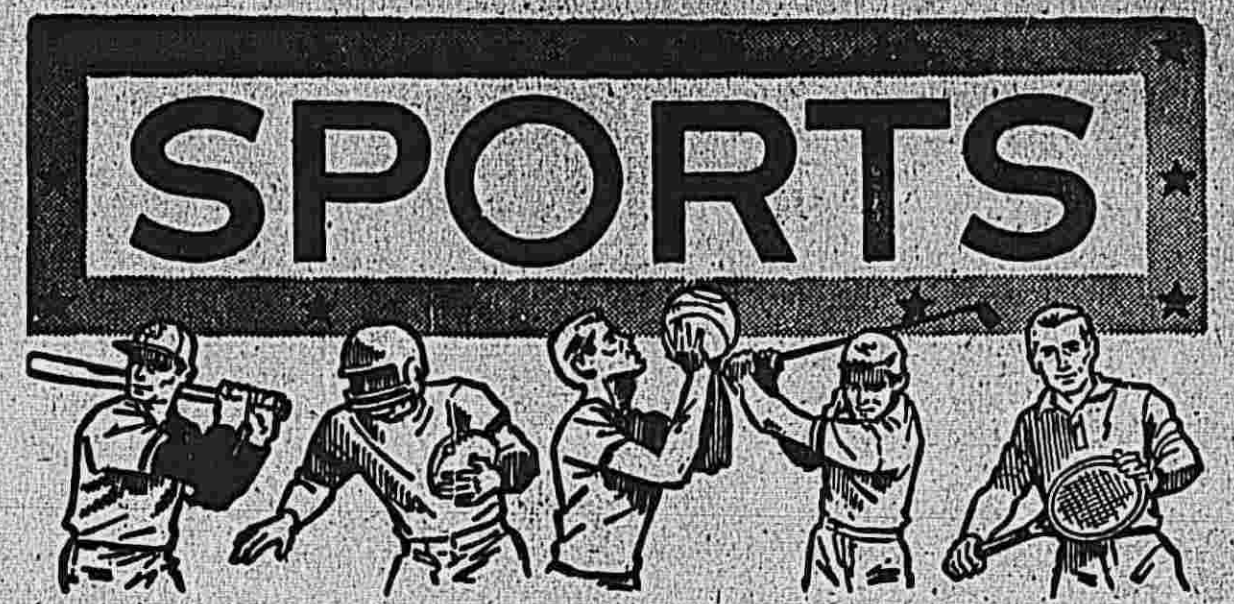

When Jones slipped into the lead, Jim Cossman was second and Rich Oertel of Palatine had moved into third. Cossman, with obvious steering problems was no match for Jones as the young USAC driver pulled away for his third feature win of the year at Waukegan. Oertel passed Cossman in the 48th lap for second money with Cossman coming in third. Finishing on the same lap with the leaders was Frank Cabrera of Chicago in 4th and Willie Winchester of Kenosha in 5th.

The race between Browne and Anzinger had added significance as they were concluding a year-long duel for fourth in the point standings. Although Anzinger held a 10 point margin before today's races, he unofficially lost fourth by three points. The official totals will be announced November 7 at the Speedway's annual trophy dance being held this year at the Angels nightclub near Antioch, Illinois.

Missing from feature action this afternoon was the season's champion, Ray Young of Dolton. Young won trophy dash, but then fell victim to a heat race mishap and was unable to repair his car for the main.

The hobby stock champion, Tom Oliver of Zion, also failed to finish his main as he tangled with Jim Boehles of Hales Corners and both hit the wall in the main event. They were running a close second to Wes Eckert of Greenfield at the time. Eckert went to win the main by a close margin over Jack Aschenbrenner of Windlake.

Eckert also won the trophy dash for hobbies and the second heat, but Oliver did show his championship form in one race

THURSDAY OCTOBER 1, 1970

THE ANTIOCH NEWS-6

Rifles Subdue Chiefs

When you are on your way to a divisional championship, every one wants to knock you off. The Manitowoc Chiefs, without their star flanker, Bob Cain, rose up Saturday night and shut out the Rifles for more than three quarters. They even took the lead with an early fourth quarter touchdown, as the home town fans urged them on.

As good teams will, however, the Rifles came back to score successive touchdowns on long marches, and subdue the upstart Chiefs, 14 to 7.

Manitowoc made the only deep penetration in a scoreless first quarter as they reached the Lake County 21 yd. line in 13 plays following a Rifle punt to the Chief 31 yd. line. At the 21, the drive stalled and Ken Jahnke tried a 37 yd. field goal; the ball held on the 27 with the goal posts on the end line. The kick was wide and short and the first quarter ended, 0 to 0.

Early in the second quarter, the Rifles' Fred Custardo hurried a pass some 45 yards in the air toward the Chief goal line. James Pecor intercepted at the 2 yd. line and started back-up field. He fumbled when hit inside his own 5, and Gerry Sandberg, the intended Rifle receiver, recovered on the Manitowoc 2 yd. line.

A 5 yd. penalty set the ball back to the 7, and then Custardo was thrown for a loss back to the 13 yd. line. The Rifles tried a screen pass on the next play, and Ed Wetzel broke through to intercept and run 12 yds. to the Manitowoc 30 yd. line and end the Lake County threat. The teams moved up and down the middle portion of the field the rest of the quarter, and the half ended with the score still 0 to 0.

Manitowoc came out at the onset of the second half, and tried a daring inside kick that they recovered on the Lake County 49 yd. line. The Rifles were caught flatfooted and the Chiefs covered the ball and fell on it without a Rifle touching it. They moved to the Lake County 23 yd. line where a holding penalty set them back to the 40. Here Bob Brown's pass was intercepted by LaVern Pottinger who fell to the turf on the Rifle 9 yd. line after making the interception. Lake County moved to their own 43 and then were forced to punt. Bruce Swanson, newly acquired quarterback who set small college passing and kicking records at North Park College, kicked dead 29 yds. at the Chief 28 yd. line. From here, Bob Brown took the Chiefs on their only touchdown march, a drive covering 72 yds. in 10 plays. A pass to Brian Burbey for 25 yds., a Buckley Wickman run for 10 yds. and two Bob Brown scampers for 7 and 11 yds. highlighted the drive. Buckley Wickman climaxed the march by bolting into the end zone on his second 10 yd. run of this drive, and Manitowoc led with 14:05 left in the game, 6 to 0.

Ken Jahnke added the extra point and the Chiefs now led, 7 to 0.

Lake County had to come to life to preserve their unblemished slate, and they answered the call with Dick Wolf returning the subsequent kickoff, 29 yds. to the Lake County 44 yd. line. Once again the redoubtable Ron Jurawicz, Fred Custardo, and company went to work to pull the game out of the fire. Jurawicz and Karl Maio moved the bladder to the Chief 25 yd. line where Jurawicz then smashed his way 20 yds. to the Chief 5. On the next play, the 10th of the drive, Custardo hit Bill Potter in the end zone with a 5 yd. touchdown pass and after Lee Rice added

the extra point, the game was tied, 7 to 7.

Manitowoc returned the kickoff 14 yds. to their 29 yd. line with Dennis Mahn carrying. Their fine runner, Buckley Wickman continued his good performance by blasting for 18 yds. in 3 carries in a drive that reached the Lake County 46 yd. line. Here, Pat Owens came up with a timely pass interception and returned 110 yds. to his own 47 yd. line. On the next play, Fred Custardo passed 24 yds. to tight end John McGuire and the Rifles had the ball on the Chief 29 yd. line. That, incidentally, was Lake County's second and last pass completion on the second half. It proved again that it isn't how many you complete, only how many you HAVE to complete.

This drive belonged to Jurawicz after that pass, and he ran for 24 yds. in 4 carries the rest of the way, culminating it in a 5-yd. burst up the middle into the end zone with just 30 seconds remaining in the game. Lee Rice again added the extra point, and the Rifles now led for the first time, 14 to 7. Manitowoc got off 4 plays after the kickoff return to their own 25 yd. line, but they could get only to their 45 yd. line as the game ended.

Ron Jurawicz continued his pursuit of the league rushing crown as he ground out 87 yds. in 16 carries, and also added 26 offensive yds. on 4 pass receptions. Bill Potter also had 4 receptions for 35 yds. and one touchdown. Ed Butela and Karl Maio contributed to the running attack with 24 yds. in 4 attempts and 27 yds. in 6 attempts respectively. Fred Custardo passed 27 times with 11 completions for 87 yds. and one touchdown, while his counterpart on the Chiefs, Bob Brown, amassed 110 yds. on 12 completions in 25 attempts. Richard Risch, filling in for the injured Bob Cain at flanker, had

a good night with 4 catches for 36 yds., while Rucky Wickman, also pursuing the rushing crown, gained 76 yds. in 16 carries to pace the Manitowoc Chiefs.

On Saturday night at Carmel Stadium in Mundelein, the Rifles host the Madison Musangs in a barn burner that could very well be the prelude to the league championship in November. The Mustangs are also undefeated and lead the Northern Division. It should be the game of the year and game time for this one is 7:30 p.m. WEFA-FM as usual, will broadcast the contest with Jack Kelly and Jim Wallace at the 102.3 play by play dial.

	Chiefs	Rifles
First Downs	14	15

Extra points: Lake County, Rice, 2; Manitowoc, Jahnke, 1.

NOTICE

The Antioch Junior Football Tackle league is now forming for all Boys 13 and under. The size-up will begin this coming Sunday, Oct. 4, at the Annual Kick-Pass-and-Punt contest held at the High School. The dates for the tryouts will be announced at a later time. If parents have any questions concerning the Junior Football League, they are to call Mr. Lee McGraw at 395-1520.

The State Bank of Antioch Softball Team are shown with three of their championship trophies, won in the 1970 season. Front row, l. to r., are: Chuck Schuth, Bill Parr, Coach Frank Heiselmann, Gary Williamson, Ed Zaitz and Ed Vejvoda. Back row, Fritz Kas-

lausky, Dick Wolf, Capt. Don Pyles, Ken Kube, John Hedberg, Mike Sterbenz and Dick Kaslausk. Players not pictured are Ray Gibson, Whitey Bergloff, Wally Ring and Larry Boegan.

Softball Team Records A Winning Season

The State Bank of Antioch softball team had a very successful season, under the coaching of Frank Heiselmann. The team won 48 games out of 60, won two county titles, plus the Waukegan Geky Memorial tourney and the division playoff championship in the Mundelein League.

In the county competition, they won both the 12 and 16-inch softball titles, where the club had to win 10 games alone. The team won the division playoff in the Mundelein League, with a 19-7 record for the season, by beating a Mundelein team twice. The Mundelein team won the first half of the season, but lost the playoff to Antioch with scores of 9-6

and 12-3. Antioch won the last half of the season with an unbeaten record of 12 games.

Antioch started its winning streak in June by winning the 12-inch crown in the Geky Memorial tourney in Waukegan. However, they lost the 16-inch title in the Geky, which they had taken two years previously. But from then on, they were unbeatable.

Coach Heiselmann has fielded the team for the State Bank the past three years. Infielders for the team include Fritz and Dick Kazlausk, Capt. Don Pyles, Chuck Schuth and Ed Zaitz.

Pitching for the 12-inch division was Ken Kube, while Frank Heiselmann hurled for the 16-inch games. Most valuable player honors were awarded to Kube in the Geky tourney, while the team's top hitter, Pyles, was awarded MVP honors in the 16-inch division.

Other members of the club include Whitey Bergloff, Larry Boegan, Ray Gibson, Bill Parr, Mike Sterbenz, and Dick Wolf. Wally Ring, Gary Williamson and John Hedberg assist with coaching duties along with playing.

Emmons Posts Easy Victory

The Emmons Grade School football team played its second game of the Big Six Conference against Lotus Grade School on Thursday, Sept. 24. The game was played on the Emmons field due to the Lotus field being too wet.

Coach John Kakacek's Emmons team easily posted its second victory of the season by a score of 45-0.

The first half of the game began with Dennis Thain catching the ball on the opening kickoff and running it the length of the field for the first touchdown of the game, the extra point was missed. A few minutes later Bob Dodd scored a touchdown and Dennis Thain ran for the point after touchdown. Midway through the first half Bob Bach caught a pass from John Bodin and ran across the goal line for 6 points. The extra point was made by John Kakacek, Jr. The last touchdown of the first half was made by Paul Petty. No extra point was scored on this touchdown. The first half ended with Emmons leading 26-0.

Three touchdowns were scored by the Emmons Raiders in the second half. Bob Bach caught a pass from Jeff Schmidt and ran for a touchdown. The extra point was not made. Later Paul Petty ran across the goal line and John Bodin scored the point after touchdown. The last touchdown of the game was made by Doug Wyatt and the extra point was missed. The game ended with the score 45-0.

The next game for the Emmons football team will be against the Millburn Grade School football team.

Busy Bees Seeking Opponents

The Volo Busy Bees 4-H Club would like to begin practicing already for next year's 4-H softball tournament. The club is an all girl club and will practice with any team sponsored by any organization in Lake County. If you have a group of kids who wish to play a game or two, you can contact the club by calling the Alfred Regner family at 815-385-0516, or writing to their address: R. R. 1, Box 583, Round Lake, Ill. 60073.

Racing Season Ends, But Drivers Busy

Although modified stock car racing has ended for the season in this area, many of the drivers that competed at Wilmet have been busy. This Saturday night, Oct. 3, they will compete in an open competition National Modified Championship at the Golden Sands Speedway near Wisconsin Rapids.

Racing against drivers from Iowa, Missouri, Michigan and Northern Wisconsin for the rich \$2000 purse, will be Paul Cameron and John Olson of Round Lake; Ray Faulkner, Libertyville; Al Schill and Jim Boehles; Hales Corners; Ken Monroe, Pell Lake; Tom Anderson, Lake Villa; Roger Otto, Burlington; Jim Bozeman, Waukegan; Larry Leach, Elkhorn; Ray Dropp, Palatine, and many more.

The open competition race had been planned for the Kenosha County Speedway in Wilmet but due to football schedules could not be held here. Sam Bartus, promoter at Golden Sands and the Capital Speedway in Madison, heard of the date and has picked up the idea for this 1st National Championship for Super Modifieds. Al Davidson and Jack at Trackside have been asked to assist in the plans for this race and will take part in the officiating for the National.

The Golden Sands Speedway is located just 7 miles east of Wisconsin Rapids. Gates will open at noon with time trials at 6:30 p.m.

Varsity Footballer

Ted DeBoer, son of Mr. and Mrs. Gordon DeBoer, of Antioch, is a member of the varsity football team at Milton College, Milton, Wis. He is a former member of the Antioch High School team and a graduate of the school.

DEATH NOTICES

MRS. MARY RUHL
Mrs. Mary Ruhl, 51 years old of Edwards Road near Antioch, passed away on Thursday, Sept. 24, at St. Therese Hospital. She was born on March 9, 1919, in Ovid, Colorado and moved to Chi-

cago in 1935, then to Deerfield for 2 years before moving to Antioch in 1940 where she and her husband had operated a farm. She was a member of St. Patrick's Catholic Church in Wadsworth. She married Jacob J. Ruhl on Nov. 27, 1937 in St. Alphonse Church in Chicago, and he preceded her in death on Oct. 19, 1962, and one son, James passed

away on June 23, 1970.

Survivors are three sons, Donald, Joseph and Thomas, of Antioch; four daughters, Mrs. Carol (Tom) Ernstmeier, Waukegan; Mrs. Jacqueline (James) Booth, Zion, Ill.; Mrs. Mary Ellen (Albert) Grice, Antioch; and Miss Valerie (Ruhl) Antioch; eight brothers: Van Reigenborn, Gottlieb Reigenborn, John Reigen-

born, all of Sedgwick, Colo.; Jacob Reigenborn, and Philip Reigenborn, both of Akron, Ohio; Joseph Reigenborn and George Reigenborn, both of Sterling, Colo.; Peter Reigenborn, Ontario, Calif.; two sisters, Mrs. Frank (Katherine) Gittlein, Erie, Colo., and Miss Anna Reigenborn, Akron, Ohio, and 11 grandchildren. Funeral mass was held Monday at 10 a.m. in St. Patrick's Church at Wadsworth. Rev. W. T. Slattery of that church officiated. Interment was in Mt. Carmel Cemetery at Antioch. Friends called at the Strang Funeral Home in Antioch after 7 p.m. Saturday.

MARGARET LANDMAN KURTZ

Mrs. Margaret Landman Kurtz, 44 years old of Deep Lake Road, Antioch, Ill., passed away Tuesday, Sept. 22nd, at Victory Memorial Hospital.

She was born Dec. 5, 1925 in Rosebud, South Dakota, moved to Sioux City, Iowa, then to Chicago in 1948, and to Antioch in April 1963. She was a member of Antioch Chapter No. 735 of the Women of the Moose. She married Edward L. Kurtz on April 11, 1961 in Chicago. Her only survivor is her husband, Edward L. Kurtz.

Funeral services were held at

11 a.m. Friday at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Cremation was held. Friends were able to call after 3 p.m. Thursday at the funeral home, where the Women of the Moose held a service at 8 p.m. Thursday.

The family had asked that friends desiring may make contributions to Mooseheart, or the Antioch Rescue Squad.

OTTO N. KOENIG

Otto N. Koenig, 79 years old of Orchard Lane near Antioch, passed away at 11 a.m. Tuesday, Sept. 29, at his home. He was born May 18, 1891 in Chicago and resided there until moving to Antioch in 1953, but had spent summers here since 1947.

He had served in the U. S. Army during W.W. I. He retired in 1953 as a partner in the Swiss Cleaners at 51st St. and Ashland Ave. in Chicago, which he established in 1920. He married Martha Grahl on Aug. 24, 1922 in Chicago.

He is survived by his wife Martha, one son Orman N. Koenig, Bridgeview, Ill., one daughter, Miss Bernadine M. Koenig, Antioch, one brother Eddie A. Koenig, Antioch, one sister, Miss Marguerite E. Koenig, Antioch, and two grandchildren. He was preceded in death by one sister, Mrs. Flory Hegelmaier.

Funeral services will be held at 10 a.m. Friday at the Strang Funeral Home in Antioch. Rev. Philip Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Mt. Hope Cemetery in Chicago. Friends may call after 7 p.m. Wednesday at Strang's.

MRS. IDA M. MAYER

Mrs. Ida M. Mayer, 88 years old of 1414 East Oak St., West Frankfort, Ill., passed away at 12:30 p.m. on Sunday, Sept. 27, after a lingering illness. She was born February 11, 1882 in Williamson County, Ill., and had been making her home with her daughter, Mrs. Arthur Sawyer, on Hwy. 173 at Rosecrans until her illness, when she went to a nursing home in Winthrop Harbor, Ill.

She is survived also by a son, Otto Mayer, of Eureka Springs, Arkansas. Funeral services were held from the Stone Funeral Home in West Frankfort, Ill., on Wednesday, Sept. 30 with burial in Tower Heights Cemetery at West Frankfort. Local arrangements were made by Strang Funeral Home at Antioch. There was no local visitation.

MRS. LAURA L. CUNNINGHAM

Mrs. Laura L. Cunningham, 81 years old, formerly of 1055 Bishop St., Antioch, passed away at the Parkway Nursing Home in Zion at 8:30 a.m. on Monday, Sept. 28. She was born Feb. 22, 1889 in Flat River, Missouri, and had resided in Farmington, Missouri before moving to Illinois 45 years ago, and has lived in Antioch since 1929.

She married Clarence C. Cunningham on May 25, 1907 at Three Rivers, Mo., and he passed away on March 25, 1959. Four brothers, one sister and one grandson also preceded her in death.

Survivors are six sons: Orville, Lake Geneva, Ill.; Harry, Zion; Harvey, Orlando, Fla.; Murrill, Antioch; Clifford, Waukegan; and Donald Cunningham, Antioch; two daughters, Mrs. Thelma (Jack) Nehaus, Russell, Ill.; and Mrs. Ruth Davidson, Rhineland, Wis.; 20 grandchildren and 31 great-grandchildren. Funeral services were held at 1:30 p.m. Wednesday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the United Methodist Church officiated. Interment was in Hillside Cemetery in Antioch.

CARL E. SCHEUNER

Carl E. Scheuner, 65 years old of Channel Lake near Antioch, passed away at 8 p.m. at the home of his mother in Woodcrest Subd., at Channel Lake on Saturday, Sept. 26. He was born Feb. 18, 1905 in Chicago, and resided there until moving to Antioch in February 1958.

He retired in 1952 as a valve tester for the Crane Plumbing Manufacturing Co. in Chicago where he had worked for 21 years. He married Florence Johnson on Jan. 25, 1930 in Chicago and she passed away on June 11, 1967. His father, Ernest Scheuner died June 18, 1968.

He is survived by one daughter, Mrs. Carol (Allen) Lindseth, Mundelein, Ill., one son, Edward Scheuner, Chicago, his mother, Mrs. Carrie Scheuner, Antioch, and two grandchildren.

Funeral services were held 10:30 a.m. on Tuesday, Sept. 29, at the Strang Funeral Home in Antioch. Rev. Robert J. Schenk of Mundelein officiated. Entombment was in Elmwood Cemetery in River Grove, Ill.

Legal Notice

General Election Notice

Notice is hereby given that on Tuesday, November 3, 1970 at the usual Polling Places in the various Precincts in the County of Lake, Illinois, a General Election will be held for the purpose of electing persons for the following offices:

- United States Senator (to fill vacancy)
- State Treasurer
- Superintendent of Public Instruction
- Trustees of the University of Illinois (Three to be elected)
- Trustees of the University of Illinois (to fill vacancy) (one to be elected)
- Representative in Congress 12th Congressional District
- State Senators 31st and 32nd Senatorial Districts
- Representatives in the General Assembly 31st and 32nd Repr. Districts
- Supreme Court Justice 2nd Judicial District
- Appellate Court Justice 2nd Judicial District
- Judges of the Circuit Court 19th Judicial Circuit
- Associate Judges of the Circuit Court 19th Judicial Circuit (to fill vacancy)
- County Clerk
- County Treasurer
- Sheriff
- Superintendent of Educational Service Region

NOTICE IS ALSO GIVEN that the following propositions will be submitted to the Electors:

PROPOSED AMENDMENT TO THE ILLINOIS CONSTITUTION	
YES	
NO	

PROPOSED ANTI-POLLUTION BOND ACT

Shall the Anti-Pollution Bond Act enacted by the 76th General Assembly, become effective and the State of Illinois contract a debt of \$750,000,000 and issue bonds to that amount as provided in such Act, for the purpose of planning, financing and constructing of municipal sewage treatment works and solid waste disposal facilities, and to the extent that funds are available in the General Revenue Fund of the State shall the General Assembly be authorized to direct the transfer of funds from time to time from that Fund to the Anti-Pollution Bond Retirement and Interest Fund sufficient to pay the principal of and interest on the bonds provided for by that Act, and to the extent that said funds are insufficient to pay the interest and discharge the principal of such bonds, shall the State of Illinois levy annually a direct tax sufficient to pay the interest on and discharge said principal with the appropriate officers fixing the rate of that direct annual tax, making proper allowance for the amount of money so transferred in reduction of the taxes to be levied and abate such tax in that amount?

PROPOSED AMENDMENTS TO THE ILLINOIS BANKING ACT

Shall an act to amend section 5 and 22 of the "Illinois Banking Act," approved May 11, 1955, as amended, assuring that Illinois state banks are continuously in competitive equality with national banks located in Illinois both as to powers hereafter exercised and as to methods of merger, be adopted?

RETENTION OF JUDGES IN OFFICE

Shall WILLIAM M. CARROLL be retained in office as judge of the Circuit Court, 19th Judicial Circuit?

Shall LOVERNE A. DIXON be retained in office as judge of the Circuit Court, 19th Judicial Circuit?

Shall L. ERIC CAREY be retained in office as Associate Judge of the Circuit Court, 19th Judicial Circuit?

The polls of said General Election will be opened at 6 o'clock a.m., and shall continue open until 6 o'clock p.m.

Dated at Waukegan, Illinois, September 24, 1970.

TRUMAN G. GERRETSEN
County Clerk

MRS. AMANDA LUBKEMAN

Mrs. Amanda Lubkeman, 90
years old, formerly of Lake
George near Bristol, Wis., passed
away on Thursday, Sept. 24, in
St. Petersburg, Fla. She was
born July 23, 1880 in Wilmot, Wis.,
and moved to Kenosha for two
years before moving to Bristol
50 years ago, but has been in a
nursing home in Florida for the
past three years.

She was a member of the Zion
Evangelical Lutheran Church at
Bristol, Wis. She married August
E. Lubkeman on Oct. 20, 1898 and
they celebrated 66 years of mar-
ried life previous to his death on
Feb. 18, 1965. She and her hus-
band had operated a truck farm
for many years.

She is survived by one daugh-
ter, Mrs. Hazel C. Sheriff, Mac-
ira Beach, Fla., and one grand-
daughter in Florida.

Graveside services were held
at 2:30 p.m. Saturday, Sept. 26th,
at Wilmot Cemetery. Pastor
Nolte of the Zion Evangelical
Lutheran Church officiated. Local
arrangements were made by
the Strang Funeral Home of
Antioch.

HARRY LA SOTA

Harry La Sota, 75 years old of
Spring Grove, Ill., passed away
on Saturday, Sept. 26 at St. Ther-
ese Hospital, Waukegan. He was
born Dec. 3, 1894 in Chicago and
resided there until moving to
Spring Grove. He had owned a
tavern in Chicago and later
worked as a bartender. He had
served in the U. S. Army during
W. W. II. There are no known
survivors.

Funeral arrangements were
made at the Strang Funeral
Home in Antioch.

MONDAY TAVERN LEAGUE

SEPTEMBER 23
"Wiggy" Bolton came out
strong, 178-200-213 — 591, high
league bowler for the evening,
and pacing Johnson's Pettio
Lake Resort to 3 wins over John
Klecki 200-522, and the Ed's Ta-
vern five.

With a 67 pin spot per game,
Open Door Tavern crushed Old
Hickory Inn 3 games, and rolled
the league high series on games
of 893-950-920-2763; Terry De-
war 222-559, closely followed by
Al Boston, 204-552, for Open
Door, and Fred Salko 216-532 for
Old Hickory.

Joe Elfinger, 194-516, led Hel-
vetia Hotel to a pair of wins over
The Angels. Gene Wagner, 191-
529, for The Angels.

Maggie & Bob's won a pair
with Frank Heiselmann, 208-
578, high and Red Arrow Tavern
and Ed Salter, 170-494, taking
the loss.

Pete Lehman rolled a fine 214-
575 for Kemp's Resort, but with
little help dropped two games to
Fiddler's Green. George Hucks-
stead 233-588 for Fiddler's.

Jerry Hassett was inspired,
rolling 210-566, sparking Paty's
Lounge to a couple of wins from
Paul Heath, 215-555, and the
Shady Nook Resort.

MONDAY NITE OWL LEAGUE

SEPTEMBER 21
